Introduction

I am pleased to table the Alberta Vital Statistics Review for 2010. This review summarizes all the vital events taking place in Alberta, including births, marriages, deaths and stillbirths during the 2010 calendar year. Not only does this document meet our legislative requirements under the *Vital Statistics Act*, it also serves as a useful resource for the public, for researchers and for health-care related professionals.

All events registered in 2010 were used in the compilation of this annual review. My sincere thanks to everyone who participated in compiling and producing this valuable document.
